

BURN PROOF GEAR

CAPABILITY STATEMENTS

BURN PROOF GEAR LLC

COMPANY OVERVIEW

Burn Proof Gear LLC is a globally recognized manufacturer of safety products / PPE and focuses on law enforcement, military, and civilian markets. BPG is well known for their combat proven Suppressor Covers, Rail-Raps, and Kevlar Hanks; the company is always developing new products for the open market as well as direct to user applications. When extreme heat capability and durability is a requirement, special operations communities look to BPG for solutions. All Burn Proof Gear™ soft goods products are made in house, in the U.S.A.

CORE COMPETENCIES

Burn Proof Gear specializes in the developing and manufacturing of safety products for law enforcement, military, and civilians.
